Please fill out the CoC form completely, including container weights. Please have a second staff member cross check the sample names on the CoC form with the names and weights on the containers.

I the undersigned am authorized under the Access to Cannabis for Medical Purposes Regulations (ACMPR) to possess cannabis and I desire to test my product with Anandia to ensure its safety and efficacy. The testing results will be used to assist in the administration of cannabis for medical purposes and are for the client's use. Anandia will retain samples for two (2) weeks following completion of requested testing. Label samples carefully and complete all parts of the form.
